"Ghazwah of Revenge for the Muslims of Egypt 2"

Dhu Al-Hijjah 1434 A.H

October 2013

الحمد لله رب العالمين و الصلاة و السلام على أشرف الأنبياء و المرسلين سيدنا محمد و على آله و صحبه أجمعين أما بعد

♦ For more than 60 years the Muslim people lived under the pressure the agencies of oppression, suppression and warring Allah, His messenger and the believers, agencies formed by the occupation before it left Egypt to continue its process in suppressing this people and plundering its riches and resources and fighting their religion and Aqeeda, agencies that protect the regime was established in Egypt with one methodology and a fixed goal which is removal of the Islamic Sharia and fighting the religion and spreading Kufr and atheism and crushing this Muslim people without mercy and make it a nation begging for its freedom, dignity and livelihood, and on top of these agencies that enslaved this nation and fought its religion and Aqeeda is the criminal police force.

♦ This service which was established on the warring of the religion of Allah by imposing resorting ti other than the Sharia of Allah with the power of arms, legalizing the Haram and protecting it by power of arms, and prohibits the Halal and bans it by power of arms, fights the Awliyah of Allah and who call to him and harass and imprison them, as for the rest of the Muslim people it was a tool for oppression and tyranny, injustice and subjugate, to lose the dignity, and disrespect of the souls, unlawfully eating the money of the people, violating the honors, beating, torture, dragging and killing of the innocents in their dark prisons, insulting Allah and His messenger and the religion, and warring against Allah, His messenger and the believers.

♦ Then was the hideous crime by legitimizing the blood of the Muslims and killing thousands of unarmed Muslims from men, women, children and elderly in Raba'a, Al-Nahda and Ramses, and burning mosques, and arresting of innocents and torturing them to death, so their ruling is clear it is a group warring against Allah, His messenger and Muslims assaulting the lives of the Muslims and their honors whom their repelling and fighting is an obligation.

♦ Because now there is in Egypt men who do not accept humiliation or disgrace or subordination to every stubborn Kaffir, who get their revenge and revenge for their people and Ummah even after a while, that's why your brothers in Ansar Bayt Al-Maqdis rose up to support the oppressed and war against the arrogant tyrants who fight the religion of Allah, so one of their heads the interior minister Mohammed Ibrahim was targeted, and all the barriers and obstacles were overcome but for everything there is a time prescribed.

No there is a vow in the neck not to leave who fought Allah, His messenger and the Muslims until there is no more persecution and religion should be only for Allah, and with the assistance and grace of Allah we fulfill our vow.

♦ Allah Almighty gave success to your brothers in Jamaat Ansar Bayt Al-Maqdis to target one of the dens of oppression and enslavement the building of the South Sinai Security Directorate in El-Tor city, and it was a strike for the heads of evil who only reached their ranks on the blood and dignity of the Muslims and fighting their religion, one of the lions from the martyrdom seekers of Ansar Bayt Al-Maqdis managed with the assistance of Allah three checkpoints then he succeeded to penetrate the guards of the building and entered to the bottom of the appropriate location then he said Takbir and detonated to make the people of tyranny taste the torture of the Dunya before the torture of the hereafter.

♦ Your brothers the mujahidin did all that in their ability from surveillance and management to avoid the injury of any Muslim innocent in this operation so they chose the appropriate time and appropriate for the

operation, and Allah gave success for that and no innocent Muslim was hit Alhamdulillah and that was also in the interior minister operation unlike what was fabricated in the criminal media.

♦ We in Jamaat Ansar Bayt Al-Maqdis only seek to liberate our Muslim Ummah and people from the slavery of the apostate oppressive regimes and achieve justice, dignity and freedom, and that will only be by directing worship to Allah alone and implementing His straight Sharia, O' Muslim youth how long will the negligence from the way of support of the truth and religion continue, here is democracy those who drowned in its mud only gained exclusion and destruction, and the internal enemy of the Ummah appeared who in reality is not less dangerous than the external enemy.

Liberating our land from the agent internal enemy and forming the Muslim police which protects them and preserves their security and dignity, and the Muslim army which supports the Ummah and religion which is the way to liberate Al-Quds and the other Muslim lands and live with freedom, dignity and pride under the Sharia of the Lord of the Worlds.

And Allah is the master of His affair, but most people do not know.

و آخر دعوانا أن الحمد لله رب العالمين
